

Ballad of Daggett Lake

CHORUS:

This is the Ballad of Daggett Lake
Where the air is clean, and people aren't fake
Come and stay with us for goodness sake
This is the Ballad of Daggett Lake

Oh, Captain Tom is always Near
When he skis the lake, you know he has no fear
He's always ready to share a beer
Tom's our leader, oh that is clear
Rules, more rules.....

Judy and Jenni help run the show
Greet ya with a smile, they'll always take your dough
Those two gals are always in the know
Judi and Jenni help run the show

REPEAT CHORUS

Jim and John and Trish and Mickey
Will help you out when things get tricky
Deliver your wood, grab your fish when it's icky (fishing derby!)
Jim and John and Trish and Mickey

So many good happenings in one great place
You're all the nicest people, I guess it must be fate
A special community, it makes me want to SHOUT!
I ONLY HOPE WE DON'T GET KICKED OUT!!!

REPEAT CHORUS
