Rosie's Love

Friends of children with cancer

Rosie's Love is a not for profit 501©(3) organization established in 2000 in memory of my granddaughter Rosemary who lost her battle with neuroblastoma (a form of childhood cancer) at the age of 3.

Eleven years ago we established Camp Hakuna Matata, which means "Camp No Worries." The goal of Camp Hakuna Matata is for the patients, parents, and siblings to have a comfortable respite from the hospital environment where they can enjoy being together as a family. Tom Near of Daggett Lake graciously hosts Camp Hakuna Matata for Rosie's Love in "the White House." The spirit in which all the campers at Daggett Lake have embraced the children over the years is very emotional for the Rosie's Love families. On behalf of all these families, thank you!

Thank you!
