

Ballad of Daggett Lake.....The Sequel

CHORUS

This is the Ballad of Daggett Lake
Where the air is clean, and the people aren't fake
Come and stay with us for goodness sake
This is the Ballad of Daggett Lake

Our second year at camp has been a revelation
Mimi's so loud, we're on double secret probation
I told Tom it won't happen again
I just hope the girl she passes out by 10
Quiet time.....keep it down

All our neighbors are mighty good friends
With Bob & Diana the laughing never ends
The Lukes of Daggett are good to know
Maureen & McKenna live just down the road

REPEAT CHORUS

Brian & Denise are nice as they can be
Been coming to the lake since 1973
Henno & Sue know how to catch those fishes
Judy and Kathy make some mighty tasty dishes

Jeff & Kathy always bring us good luck
You know it's raining when you see the floating duck
Doris, Deb, and Leslie are mighty fine
When you pass their place, you hear, "better pass the wine"

REPEAT CHORUS

Jenni and Jim and Maddy are really a joy
It makes me mad when they call Jim "The Trolley Boy"
Bonnie sure is a gift from heaven
But the poor girl got stuck with a brother named Kevin

So many good happenings in one great place
You're all the nicest people, I guess it must be fate
A special community, it makes me want to SHOUT!
I ONLY HOPE WE DON'T GET KICKED OUT!!!

REPEAT CHORUS
